

How can we increase the number of EACVI members

Swedish experiences

Meriam Åström Aneq; MD. PhD
Swedish working group of echocardiography

Who perform echo in Sweden?

- **Non invasive cardiac imaging specialists, Cardiologists, 350 cardiac imaging physicians, and at least as many cardiologists perform echo on a daily basis**
- **Sonographers constitute a large and important group in Sweden
750 sonographers and 240 students in training**

All these are potential EACVI members

Swedish quality checks in imaging/echo

- **EQUALIS:**

Echocardiography and nuclear medicine

- **LIPUS:** The National Board of Health and Welfare controls course certification and collaborates with the European Accreditation Council EACCME.
- **SWEDAC:** Laboratory accreditation according to ISO 17025

High rate of participation

Paying members

Certified by EACVI:

TTE - 17

TEE - 14

CMR - 5
